

The Israeli Aggression on Gaza Strip and the West Bank Situation Report (No. 55)

Covers the period from 7th to 31st October 2024

Introduction

This report details the genocide committed by the Israeli occupation in Palestine, based on the monitoring and documentation of daily scenes from October 7 to October 31, 2024. It also highlights the political and humanitarian repercussions, along with the material and human losses sustained by the Gaza Strip and the West Bank, due to the ongoing aggression and criminal activities that have persisted since October 7, 2023.
